

Established in 1983, we have been satisfying the various demands of many industries with our Quality Products.

**If you expect Top Quality, On time deliveries, Competitive Prices and Reliable Service - look no further, We Can Help.**

Our highly trained staff will see that your enquiries/Orders get 1st class personal attention, as we pride ourselves on Customer Satisfaction. Our fully integrated computerised stock control and sales order processing system provides a fast, efficient and complete point of sale service. Our quality systems have been independently assessed and accredited to BSEN ISO 9001:2000. This together with our technical expertise and assistance throughout the life of an enquiry or order enables us to offer a complete service to customers in the United Kingdom and abroad.
